Workshop: Creatures in the Air Thu 24 Sep, 10am–12noon Ages 5+

NGV International

In Dalí's world almost anything is possible. Clocks melt, buildings float and there are creatures in the air. Kids will explore Dalí's art and discover the unreal during an exhibition tour designed just for them. Then they will enter the Dalí Studio Den, decorated with breadsticks and other unlikely things, and learn how to make the creatures they draw become creatures in the air. Fully supervised (exhibition fee applies for parents electing to attend). Cost \$25 / \$22 NGV Member (includes exhibition entry)

Workshop: Real, Surreal, Unreal!

Fri 25 Sep, 10.30am–3.30pm
Ages 11–15

NGV International

Spend a day of discovery and art making, inspired by the world of Salvador Dalí with artist Juan Ford. It is in part a surrealist world where the real and unreal meet, where dreams and waking reality blend. Salvador Dalí's surprising and fantastic art includes melting clocks, distorted figures and suspended buildings. Explore how Surrealists used weird but effective methods to inspire new art works. Create drawings and paintings based on strange reflections in highly polished surfaces of exhaust pipes, silver teapots and spoons. Fully supervised. Bring your own lunch. Cost \$50 / \$45 NGV Member (includes exhibition entry)

Art Classes

Ages 6–10 & Ages 11–15

NGV International

NGV Kids are imaginative, creative and individual. The NGV Collection holds a broad and exciting range of art that is culturally diverse, from ancient times to now. Over six sessions, NGV Kids Art Classes open up possibilities within the visual arts to children. During each session, under the guidance of experienced art educators, they discover treasures of the gallery when they visit select original works and exhibitions. They learn the language of art through informal group discussions and observational drawings. Then in the studios, they respond by creating art, both 2D and 3D using a variety of media. On completion, each young artist takes home a personalised folio of art works based on his or her experiences.
