

CLOUD COLLAGE

NGV

Do you ever lie on the grass and stare up at the clouds? Artist Cecilie Bendixen is fascinated by clouds. For NGV Triennial 2020, Cecilie created large, pillowy clouds and hung them from the Gallery's ceiling. Her clouds are made of fabric and were stitched and folded into shape by 14 sewers!

Let's make a collage of clouds using paper and materials.

Soft and fluffy or dark and stormy – what kind of cloud will you make?

You will need:

- * Collage materials – tissue paper, bubble wrap, cotton wool, newspaper, fabric or cardboard
- * A4 coloured paper
- * Glue
- * Scissors

1 Create cloud shapes using your collage materials. Here are some ideas and words to describe clouds:

2 Arrange your clouds into one big cloud shape on the coloured paper and glue into place

Share your creations by using #NGVKids and tag @ngvmelbourne to be featured.
